Content of this notice:

1. Notice to the shareholders of the Merging Subfund (as defined below) and of the Receiving Subfund (as defined below) regarding the Merger (as defined below)
 2. Notice to the shareholders of the Receiving Subfund (as defined below) regarding other modifications in the Receiving Subfund
-
1. Notice to the shareholders of the subfund AgaNola Global Convertibles Focus Investment Grade, a subfund of the Fund (the "**Merging Subfund**") and to the shareholders of Credit Suisse (Lux) Global Convertible Investment Grade Bond Fund, a subfund of the Company (the "**Receiving Subfund**") which will be renamed into Credit Suisse (Lux) AgaNola Global Convertible Bond Fund as of the date of the visa-stamp of the first prospectus published after the Merger.

Notice is hereby given to the shareholders of the Merging Subfund and to the shareholders of the Receiving Subfund that the board of directors of the Fund proposed to the shareholders of the Merging Subfund and the board of the Company decided to merge the Merging Subfund into the Receiving Subfund, in accordance with article 1(20)(a) and the provisions of Chapter 8 of the Luxembourg law of 17 December 2010 relating to undertakings for collective investment (the "**2010 Law**"), by transferring all the assets and liabilities of the Merging Subfund to the Receiving Subfund effective as at 12 December 2016 (the "**Merger**").

Accordingly, in exchange for the transfer of the assets and liabilities of the Merging Subfund the Receiving Subfund shall issue shares without charge and the shareholders currently holding shares in the Merging Subfund will receive shares in the Receiving Subfund as shown in the table below.

As the Merging Subfund is the only subfund of the Fund, the Fund will cease to exist as a result of the Merger and thereby will be dissolved without going into liquidation. In accordance with the provisions of article 66(4) of the 2010 Law, the shareholders of the Fund will therefore be convened to an extraordinary general meeting of the Fund ("**EGM**") in order to approve the Merger.

The effective date of the Merger will be 12 December 2016 or such other date approved by the EGM of the Fund (the "**Effective Date**").

Shareholders of the Receiving Subfund are furthermore informed that the board of directors of the Company has decided to change as of the Effective Date the name of the Receiving Subfund from "Credit Suisse (Lux) Global Convertible Investment Grade Bond Fund" to "Credit Suisse (Lux) AgaNola Global Convertible Bond Fund", and to increase the maximum management fees for some of Receiving Subfund's share classes, as further detailed under point 2 further down below.

Notice to Shareholders

**CS Investment Funds 1
Falcon MULTILABEL SICAV**

While the Merging Subfund and Receiving Subfund have similar investment policies (investments mainly in convertible bonds), shareholders of the Merging Subfund should note the differences between the Merging Subfund and the Receiving Subfund, as well as between the shares in the Merging Subfund and the corresponding shares in the Receiving Subfund, as detailed in the table above and in Appendix I to this notice. For instance, shares in the Receiving Subfund differ from the respective shares of the Merging Subfund in terms of applicable fees.

The resolutions to merge the Merging Subfund into the Receiving Subfund were passed in the shareholders' interest, the intention being to use synergies of the combined asset base and to profit from a combined investment expertise of the co-investment managers.

In view of the similarities between the investment policies and the assets and liabilities of the Merging Subfund and the Receiving Subfund, no material impact on the performance of the Receiving Subfund is expected to take place as a result of the Merger. It is not anticipated that the Merging Subfund and the Receiving Subfund will rebalance their portfolios before the Merger. However, it is anticipated that the Receiving Subfund may slightly rebalance its portfolio after the Merger. The performance fee applicable in some of the share classes of the Merging Subfund will accrue until the Effective Date and crystallize on such Effective Date, and will subsequently be paid to the investment manager of the Merging Subfund. For the share classes of the Receiving Subfund for which a performance fee is applied, the performance period will commence from the Effective Date and the opening high water mark will be the net asset value per share on that day. Further details on the performance fee methodology of the Receiving Subfund can be found in Appendix I.

Also, as from the Effective Date, the Receiving Subfund will be co-managed by AgaNola AG, Pfäeffikon, the current investment manager of the Merging Subfund, and Credit Suisse AG, Zurich, the current investment manager of the Receiving Subfund. Shareholders will benefit after the Merger from the expertise of both investment managers. As the Receiving Subfund will not be repositioned with the Merger, no change in the investment management style is expected for Shareholders of the Receiving Subfund. Shareholders of the Merging Subfund might expect a slight impact, due to the differences of the subfunds, as further outlined in Appendix I.

For more details on the Receiving Subfund, shareholders are kindly invited to read Appendix I as well as the prospectus of the Company and the KIID of the Receiving Subfund which may be obtained free of charge from or may be requested at the registered office of the Company.

All costs of the Merger (with the exception of any dealing costs, audit costs, other miscellaneous costs and transfer taxes on the assets associated with the transfer of assets and liabilities and the custody transfer costs) will be borne by the management companies of the Fund and the Company, including legal, accounting, stamp duty and other administrative expenses.

The issue of shares of the Merging Subfund will be suspended with effect as from 6 December 2016. Accordingly, subscription and conversion applications in the Merging Subfund will be accepted up to 10:30 a.m. Luxembourg time on 5 December 2016. Shareholders of the Merging Subfund will be able to redeem shares of the Merging Subfund until 10:30 a.m. Luxembourg time on 5 December 2016 and will be handled free of charge.

Shareholders of the Merging Subfund who have not submitted their shares for redemption until 10:30 a.m. Luxembourg time on 5 December 2016 will be allocated the corresponding shares in the Receiving Subfund on 12 December 2016 with value date 13 December 2016.

The above limits of 10% and 1/3 must be complied with on a consolidated basis in the case of indirect investments via derivatives, structures products and collective investments.
