

**CS Investment Funds 1**

Investment Company with Variable Capital  
under Luxembourg Law  
5, rue Jean Monnet, L-2180 Luxembourg  
R.C.S. Luxembourg B 131404  
(the "Company")

1. Notice is hereby given to the shareholders of the subfund Credit Suisse (Lux) Absolute Return Bond Fund (for the purpose of this point the "Subfund"), that the Board of Directors of the Company has decided to amend the expected level of leverage of the Subfund disclosed in the prospectus, from 8 to 15 times the total net assets of the Subfund. This change is made to better reflect the actual expected level of leverage of the Subfund and is not the result of any change in the investment objective, policy, risk profile or investment strategy of the Subfund, which remain unchanged.

In this context, additional information regarding the use of derivative financial instruments and the expected level of leverage of the Subfund have been inserted in the prospectus under the section "Global Exposure" relating to the Subfund. Also, the Investment Principles have been updated to clarify that the Subfund may use on a *large scale* a wide variety of derivative financial instruments.

2. Notice is hereby given to the shareholders of the subfund Credit Suisse (Lux) Global High Yield Bond Fund (for the purpose of this point the "Subfund") that the Board of Directors of the Company has decided to specify in the prospectus that, in order to enhance the portfolio management and subject to section 3 of Chapter 6, "Investment Restrictions", the Subfund may hold net long and net short positions by entering into derivatives contracts on equity indices (equity options and futures) and on volatility indices or any other UCITS eligible financial indices, up to 30% of its assets. The Subfund may only enter into futures contracts that are traded on a stock exchange or another regulated market open to the public and domiciled in an OECD country.

Furthermore, the Board of Directors of the Company has decided to change the method for calculating the global exposure of the Subfund, from the commitment approach to the relative Value-at-Risk (VaR) methodology, with an expected level of leverage of approximately 3 times the total net assets of the Subfund .

3. Notice is hereby given to the shareholders of the Company that the Board of Directors of the Company has decided to amend Chapter 13 "General Meetings" of the prospectus, so as to clarify that generally notices of all general meetings will be sent to the holders of registered Shares by registered mail at least eight calendar days prior to the general meeting at their addresses shown in the register of Shareholders.

Shareholders of the Company who do not agree with the changes mentioned under point 2 above may redeem their shares free of charge until 17 October 2016. All changes enter into effect on 18 October 2016.

Shareholders should note that, once the above changes enter into effect, the new prospectus of the Company, the key investor information documents as well as the articles of incorporation may be obtained in accordance with the provisions of the prospectus at the registered office of the Company or on the internet at [www.credit-suisse.com](http://www.credit-suisse.com).
