(the “Company”)

Notice is hereby given to the Shareholders of the Company that the board of directors of the Company (the “**Board of Directors**”) has decided to amend the investor profile of the following subfunds (for the purpose of this section, the “**Subfunds**”) as follows:

Subfunds	Old Investor Profile	New Investor Profile
Credit Suisse (Lux) Asia Pacific Income Equity Fund	This Subfund is suitable for Shareholders with a long-term investment horizon who are able to accept large fluctuations in the Net Asset Value of their Shares.	The Subfund is suitable for investors with high risk tolerance and a long-term view who wish to invest in a broadly diversified portfolio of equity securities within the Asia Pacific region.
Credit Suisse (Lux) Global Dividend Plus Equity Fund	This Subfund is suitable for investors who would like to participate in the economic development of the global equity market. The companies are selected regardless of their market capitalization (micro, small, mid, large caps) or affiliation to a particular geographical region or sector. This may lead to a concentration in geographical and/or sector terms. As the investments are focused on equities – which can be subject to wide fluctuations in value – investors should have a medium to long investment horizon.	The Subfund is suitable for investors with high risk tolerance and a long-term view who wish to invest in a broadly diversified portfolio of equity securities globally.
Credit Suisse (Lux) Global Property Total Return Equity Fund	This Subfund is suitable for Shareholders with a long-term investment horizon who are able to accept large fluctuations in the Net Asset Value of their Shares.	The Subfund is suitable for investors with high risk tolerance and a long-term view who wish to invest in a broadly diversified portfolio of equity securities globally within the property sector.

The above mentioned changes enter into effect on the date of the publication.
