 R.C.S. Luxembourg B 124019

(the “Company”)

Notice is hereby given to the Shareholders of the Company that the board of directors of the Company (the “**Board of Directors**”) has decided to amend the investor profile of the following subfunds (for the purpose of this section, the “**Subfunds**”) as follows:

Subfunds	Old Investor Profile	New Investor Profile
Credit Suisse (Lux) Asia Pacific Income Equity Fund	This Subfund is suitable for Shareholders with a long-term investment horizon who are able to accept large fluctuations in the Net Asset Value of their Shares.	The Subfund is suitable for investors with high risk tolerance and a long-term view who wish to invest in a broadly diversified portfolio of equity securities within the Asia Pacific region.
Credit Suisse (Lux) Commodity Allocation Fund	This Subfund is suitable for investors who are interested in achieving capital growth by way of highly dynamic asset allocation in the area of commodities, natural resources and precious metals, and have a long-term investment horizon.	The Subfund is suitable for investors with medium risk tolerance and a long-term view who wish to seek exposure to risk and return characteristics of commodities.
Credit Suisse (Lux) Europe Equity Absolute Return Fund	The Subfund is suitable for investors seeking absolute returns with limited equity market exposure. As the Subfund is a complex investment product, investors should be well informed and, in particular, have a good knowledge of derivatives.	The Subfund is suitable for investors with high risk tolerance and a medium-term view who wish to invest in a broadly diversified portfolio which has the ability to partially hedge market exposure.
Credit Suisse (Lux) European Dividend Plus Equity Fund	This Subfund is suitable for investors who would like to participate in the economic development of the European equity market. The companies are selected regardless of their market capitalization (micro, small, mid, large caps), sector or geographical location. This may lead to a concentration in geographical and/or sector terms. As the investments are focused on equities – which can be subject to wide fluctuations in value – investors should have a medium to long investment horizon.	The Subfund is suitable for investors with high risk tolerance and a long-term view who wish to invest in a broadly diversified portfolio of equity securities within Europe.
Credit Suisse (Lux) Eurozone Active Opportunities Equity Fund	This Subfund is suitable for investors wishing to participate in the development of the equity markets in the eurozone. Investors will be looking for a diversified exposure to companies in this economic area. As the investments are focused on equities – which can be subject to wide fluctuations in value – investors should have a long-term investment horizon.	The Sub-fund is suitable for investors with high risk tolerance and a long-term view who wish to invest in a broadly diversified portfolio of equity securities within the Eurozone.

<p>Credit Suisse (Lux) Global Balanced Convertible Bond Fund</p>	<p>This Subfund is suitable for investors looking for an uncomplicated way to participate in a professionally structured portfolio comprising conversion and option rights of issuers domiciled worldwide. It enables them to benefit from the potential for attractive price gains, an appropriate return and broad risk diversification, and to exploit the opportunities presented by an indirect equity investment involving limited risk, without them having to forgo a secure return.</p>	<p>The Subfund is suitable for investors with medium risk tolerance and a medium-term view who wish to invest in a broadly diversified portfolio of debt securities.</p>
<p>Credit Suisse (Lux) Global Digital Health Equity Fund</p>	<p>This Subfund is suitable for investors wishing to participate in the development of the equity markets within the biotechnology sector. Investors will be looking for a diversified and actively managed exposure to companies in this sector. As the investments are focused on equities – which can be subject to wide fluctuations in value – investors should have a long-term investment horizon.</p>	<p>The Subfund is suitable for investors with high risk tolerance and a long-term view who wish to invest in a broadly diversified portfolio of equity securities globally within the Digital Health sector.</p>
<p>Credit Suisse (Lux) Global Dividend Plus Equity Fund</p>	<p>This Subfund is suitable for investors who would like to participate in the economic development of the global equity market. The companies are selected regardless of their market capitalization (micro, small, mid, large caps) or affiliation to a particular geographical region or sector. This may lead to a concentration in geographical and/or sector terms. As the investments are focused on equities – which can be subject to wide fluctuations in value – investors should have a medium to long investment horizon.</p>	<p>The Subfund is suitable for investors with high risk tolerance and a long-term view who wish to invest in a broadly diversified portfolio of equity securities globally.</p>
<p>Credit Suisse (Lux) Global Property Total Return Equity Fund</p>	<p>This Subfund is suitable for Shareholders with a long-term investment horizon who are able to accept large fluctuations in the Net Asset Value of their Shares.</p>	<p>The Subfund is suitable for investors with high risk tolerance and a long-term view who wish to invest in a broadly diversified portfolio of equity securities globally within the property sector.</p>
<p>Credit Suisse (Lux) Global Robotics Equity Fund</p>	<p>The Subfund is suitable for investors wishing to participate in companies offering products and services in the field of automation, artificial intelligence, environmental control system, industrial control system, efficient enhancements, numerical control, robotics, medical technology systems as well as safety and security technology. Investors will be looking for balanced, broad and diversified exposure to companies active primarily in information technology, healthcare or industry. As the investments are focused on equities – which can be subject to wide fluctuations in value – investors should have a medium to long investment horizon.</p>	<p>The Subfund is suitable for investors with high risk tolerance and a long-term view who wish to invest in a broadly diversified portfolio of equity securities globally.</p>
<p>Credit Suisse (Lux) Global Security Equity Fund</p>	<p>The Subfund is suitable for investors wishing to participate in companies offering products and services in environmental security, IT security, health protection, traffic safety and protection against crime. Investors will be looking for balanced, broad and diversified exposure to companies active primarily in information technology, healthcare or industry. Investors will be looking for balanced, broad and diversified exposure to companies in these sectors. As the investments are focused on equities – which can be subject to wide fluctuations in value – investors should have a medium to long investment horizon.</p>	<p>The Subfund is suitable for investors with high risk tolerance and a long-term view who wish to invest in a broadly diversified portfolio of equity securities globally.</p>

Credit Suisse (Lux) Infrastructure Equity Fund	This Subfund is suitable for investors wishing to participate in the development of the equity markets within the infrastructure sector. Investors will be looking for a diversified and actively managed exposure to companies in this sector. As the investments are focused on equities – which can be subject to wide fluctuations in value – investors should have a long-term investment horizon.	The Subfund is suitable for investors with medium risk tolerance and a medium-term view who wish to invest in a broadly diversified portfolio of equity securities globally within the infrastructure sector.
Credit Suisse (Lux) Japan Value Equity Fund	This Subfund is suitable for investors wishing to participate in the development of equity markets in Japan. Investors will be looking for a diversified exposure to companies in this economic area. As the investments are focused on equities – which can be subject to wide fluctuations in value – investors should have a long-term investment horizon.	The Subfund is suitable for investors with high risk tolerance and a long-term view who wish to invest in a broadly diversified portfolio of Japanese equity securities.
Credit Suisse (Lux) Portfolio Fund Global Balanced USD	This Subfund is suitable for income and capital growth-oriented investors with medium risk capacity who are also interested in longer-term capital growth and have a medium or long-term investment horizon. There can be no guarantee that the investment objective will be met. The value of investments may go down as well as up and investors may not recover the value of their initial investment.	The Subfund is suitable for investors with medium risk tolerance and a medium-term view who wish to seek exposure to risk and return characteristics of mixed assets.
Credit Suisse (Lux) Portfolio Fund Global Yield USD	The Subfund is suitable for income-oriented investors who are interested in earning an appropriate return. There can be no guarantee that the investment objective will be met. The value of investments may go down as well as up and investors may not recover the value of their initial investment.
