| Credit Suisse (Lux) AgaNola Global Value Bond Fund    | A       | LU1061737885 |

The Board of Directors considers the deactivation of the Classes to be in the best interest of the Shareholders of the Classes since the current net assets of the Classes do not reach the minimum level for such Classes to be operated in an economically efficient manner.

Given that there might be interest from the business side to reactivate the Classes in the future, the Board of Directors have decided to put the Classes into an inactive status without its termination.

No further subscriptions of Shares of these Classes in the Subfund are accepted as from the date of this notice.

However, the redemption of Shares of these Classes in the Subfund is still allowed until 06 January 2021 at 3.00 p.m. (CET).

For Shareholders who have not redeemed until this date, the Board of Directors will proceed to the compulsory redemption of the Shares of the Classes at the net asset value per Share calculated on 08 January 2021.

Subject to relevant conditions, single swing pricing shall apply in accordance with the provisions of the relevant prospectus.

The payment of the redemption proceeds resulting from the compulsory redemption will be made with value date 11 January 2021 (the “Payment Date”) in the relevant reference currency of the respective Share Class.

Any costs and charges that incurred in relation to the compulsory redemption will be borne by Credit Suisse Fund Management S.A., the management company of the Company.

Shareholders should be aware that the compulsory redemption of the Classes may have tax consequences. Shareholders who are in any doubt as to their tax position should consult their own independent tax advisors as to the Luxembourg or other tax consequences.
