IV. Notice is further given to the shareholders of Credit Suisse (Lux) Emerging Market Corporate Bond Fund and Credit Suisse (Lux) Emerging Market Corporate Investment Grade Bond Fund (for the purpose of this section, the "**Subfunds**") that the Board of Directors has decided to upgrade the Subfunds as "article 8" products within the meaning of the regulation (EU) 2019/2088 of the European Parliament and of the Council of 27 November 2019 on sustainability-related disclosures in the financial services sector ("**SFDR**"). For this purpose, the Board of Directors decided to amend the special section of the Subfunds in Chapter 23 "Subfunds" of the Prospectus in order to make a specific reference in the

"Investment Principles" section of the Subfunds stating, among others, that the Subfunds are promoting environmental and social characteristics within the meaning of SFDR.

V. Notice is given to the shareholders of the following subfunds (for the purpose of this item, the "**Subfunds**") that the Board of Directors has decided to amend Chapter 23 "Subfunds" of the Prospectus in order to modify the wording in the "Investment Objective" section of the Subfunds to comply with the ESMA Q&A on Benchmarks, as follows:

Credit Suisse (Lux) Emerging Market Corporate Bond Fund	
Old Investment Objective	New Investment Objective
<p>The main objective of the Subfund is to achieve return in excess of the Emerging Market bond market by investing in US Dollar-denominated or US Dollar hedged investment grade and below investment grade of debt securities and similar debt instruments issued by borrowers by institutions and corporations having their head office in, or conducting a significant part of their business in, Emerging Market countries.</p> <p>This Subfund aims to outperform the return of the JP Morgan Corporate Emerging Markets Bond Index Broad Diversified Composite benchmark. The Subfund is actively managed. The Benchmark is used as a reference point for portfolio construction. The majority of the Subfund's exposure to bonds will refer to, and have weightings derived from, the Benchmark. The Investment Manager may use its discretion to invest in bonds not included in the Benchmark in order to take advantage of specific investment opportunities. It is thus expected that the performance of the Subfund will materially deviate from the Benchmark.</p>	<p>The main objective of the Subfund is to achieve return in excess of the Emerging Market bond market by investing in US Dollar-denominated or US Dollar hedged investment grade and below investment grade of debt securities and similar debt instruments issued by borrowers by institutions and corporations having their head office in, or conducting a significant part of their business in, Emerging Market countries.</p> <p>This Subfund aims to outperform the return of the JP Morgan Corporate Emerging Markets Bond Index Broad Diversified Composite benchmark. The Subfund is actively managed. The benchmark is used as a reference point for portfolio construction and as a basis for setting risk constraints, and/or for performance fee measurement purposes. The majority of the Subfund's exposure to bonds will not necessarily be components of refer to, and or have weightings derived from the benchmark. The Investment Manager may use its discretion to materially deviate the weighting of certain components of the benchmark and to invest to a large extent in bonds not included in the benchmark in order to take advantage of specific investment opportunities. It is thus expected that the performance of the Subfund will materially deviate from the benchmark.</p>
Credit Suisse (Lux) Emerging Market Corporate Investment Grade Bond Fund	
Old Investment Objective	New Investment Objective
<p>The main objective of the Subfund is to achieve return in excess of the Emerging Market bond market by investing in US Dollar-denominated or US Dollar hedged primarily investment grade of debt securities and similar debt instruments issued by borrowers by institutions and corporations having their head office in, or conducting a significant part of their business in, Emerging Market countries.</p> <p>This Subfund aims to outperform the return of the JP Morgan Corporate Emerging Markets Bond Index Broad Diversified High Grade benchmark. The Subfund is actively managed. The Benchmark is used as a reference point for portfolio construction and as a basis for setting risk constraints. The majority of the Subfund's exposure to bonds will refer and have similar weightings to the Benchmark. The Investment Manager may use its discretion to invest in bonds not included in the Benchmark in order to take advantage of specific investment opportunities. It is thus expected that the performance of the Subfund will to a limited extent deviate from the Benchmark.</p>	<p>The main objective of the Subfund is to achieve return in excess of the Emerging Market bond market by investing in US Dollar-denominated or US Dollar hedged primarily investment grade of debt securities and similar debt instruments issued by borrowers by institutions and corporations having their head office in, or conducting a significant part of their business in, Emerging Market countries.</p> <p>This Subfund aims to outperform the return of the JP Morgan Corporate Emerging Markets Bond Index Broad Diversified High Grade benchmark. The Subfund is actively managed. The benchmark has been selected because it is representative of the investment universe of the Subfund and it is therefore an appropriate performance comparator. The Benchmark is used as a reference point for portfolio construction and as a basis for setting risk constraints. The majority of the Subfund's exposure to bonds will likely be components of refer and or have similar weightings to derived from the benchmark. The Investment Manager will to some extent may use its discretion to overweight or underweight certain components of the benchmark and to a lesser extent invest in bonds not included in the benchmark in order to take advantage of specific investment opportunities. It is thus expected that the performance of the Subfund will may to a limited extent deviate from the Benchmark.</p>

VI. Notice is finally given to the shareholders of Credit Suisse (Lux) Emerging Market Corporate Bond Fund that the Board of Directors has decided to amend Chapter 23 "Subfunds" of the Prospectus in order to amend the wording in the "Investment Principles" section, as follows:

Credit Suisse (Lux) Emerging Market Corporate Bond Fund	
Old wording	New wording
A significant part of the Subfunds' net assets will be denominated in or hedged into US Dollar. For the remaining part, the Subfund may actively manage its currency exposure and credit exposure through the use of foreign exchange forwards and credit default swaps. In addition, the Subfund may make use of total return swaps for the purpose of efficient portfolio management.	A significant part of the Subfunds' net assets will be denominated in or hedged into US Dollar. For the remaining part, the Subfund may contract futures and options as well as swap transactions (interest-rate swaps, inflation swaps and total return swaps) for the purpose of hedging and efficient portfolio management, provided due account is taken of the investment restrictions set out in Chapter 6, "Investment Restrictions" .
