FBH	GBP	LU0566065560

The stock split will be effected at a ratio of **10 for 1** and will be conducted with the aim of increasing the liquidity of certain classes of shares in the Subfund and expanding its Shareholder base by reducing the price of Subfund's shares.

Shareholders who will place their subscriptions, redemption and conversion applications in the Subfund until cut-off date 26 October 2021, 12 p.m. (noon) (Central European Time), will still trade at the net asset value of pre-split Shares, dated 3 November 2021 and calculated on 4 November 2021.

Shareholders are not required to undertake any action. The Registrar and Transfer Agent will execute the stock split directly on the shares registered in the Shareholder's account.

The Subfund shall be closed for subscription, redemption and conversion applications in the Subfund on 3 November 2021, i.e. no subscriptions, redemptions or conversions will be processed with the net asset value dated 10 November 2021.

Each shareholder will receive nine (9) additional shares for each share held.

Shareholders receive a notice from the Registrar and Transfer Agent informing about the number of shares added to their relevant registered account in the context of the stock split.

The Subfund will trade at its post-split net asset values for any subscription, redemption and conversion applications in the Subfund placed for cut-off date on 10 November 2021, 12 p.m. (noon) (Central European Time), based upon the net asset values dated 17 November 2021 and calculated on 18 November 2021.
