(the “**Company**”)

Notice is hereby given to the Shareholders of Credit Suisse (Lux) European Sovereign Plus Bond Fund (the “Subfund”)

Notice is hereby given to the Shareholders of the Subfund that the Board of Directors of the Company has decided to initiate the liquidation process of the Subfund as of 07 July 2022, as large redemption requests have been received, following which the remaining volume of total net assets of the Subfund would be too low to enable an efficient management of the Subfund. As processing the redemption request would no longer allow the efficient management of the Subfund and would hence be detrimental to the remaining Shareholders, the Board of Directors of the Company has decided to liquidate the Subfund in the best interests of the remaining Shareholders in accordance with Article 25 of the Company’s Articles of Association and Chapter 12 of the Company’s Prospectus.

The issue, conversion and redemption of Shares in the Subfund have been closed with immediate effect as of 07 July 2022.

All provisions for liabilities and charges that incurred in relation to the liquidation have already been made in the Subfund.

The net liquidation proceeds of the Subfund shall be calculated as soon as practicable when all the corresponding assets have been sold without undue delay and shall be communicated to the Shareholders thereafter.

Shareholders should be aware that the liquidation of the Subfund may have tax consequences. Shareholders who are in any doubt as to their tax position should consult their own independent tax advisors as to the Luxembourg or other tax consequences of this termination.

Any liquidation and redemption proceeds that cannot be distributed to the Shareholders at the closure of the liquidation shall be deposited with the “Caisse de Consignation” in Luxembourg until the statutory period of limitation has elapsed.

After closure of the liquidation, the accounts and the books of the Subfund shall be filed with Credit Suisse Fund Services (Luxembourg) S.A., during a period of five years.

The prospectus, the full wording of the amendment, the Key Information Document, the articles as well as the company's most recent annual and semi-annual reports may be obtained free of charge from the representative in Switzerland.
