Notice is hereby given to the shareholders of the subfund "**Credit Suisse (Lux) Bond Green Bond Global Blue**" (the "**Subfund**") that the board of directors of the Company (the "**Board of Directors**") has reached the conclusion, following the successive clarifications made on the upcoming implementation of the so-called SFDR 'level 2' and after a review of the methodology of the "Bloomberg MSCI Global Green Bond Index" (the "**Index**") tracked by the Subfund, that the Index is not exposed exclusively and on an ongoing basis during the life-cycle of the Subfund to sustainable investments as this concept is currently construed under SFDR.
