19 June 2024

Dear Shareholders,

The board of directors (the "**Board of Directors**") of the Merging UCITS, has decided to merge the Merging Sub-Fund into UBS (Lux) Strategy Fund – Balanced Sustainable (EUR) (the "**Receiving Sub-Fund**"), a sub-fund of UBS (Lux) Strategy Fund, a *fonds commun de placement incorporated under the laws of the Grand Duchy of Luxembourg, registered with the Luxembourg Trade and Companies Register under number K 299* (the "**Receiving UCITS**") in compliance with article 1(20)(a) of the law of 17 December 2010 on undertakings for collective investment as amended (the "**Merger**"). The Merger shall become effective on 26 July 2024 (the "**Effective Date**").

This notice describes the implications of the contemplated Merger. Please contact your financial advisor if you have any questions on the content of this notice. The Merger may impact your tax situation, notably in light of the Receiving UCITS not being established as a corporation. Shareholders should contact their tax advisor for specific tax advice in relation to the Merger.

Capitalised terms not defined herein have the same meaning as in the prospectus of the Merging UCITS.

1. Background and rationale for the merger

The decision of the Board of Directors to proceed with the Merger was passed in shareholders' and unitholders' interest and takes place in the context of the following rationale. Following a detailed review of the combined fund offering of each asset management division at UBS and Credit Suisse, the Merging Sub-Fund has been identified as overlapping in terms of investment objective and universe, as UBS offers a comparable product in the form of the Receiving Sub-Fund. The aim of merging the sub-funds is to manage the sub-funds more cost-efficiently in the interests of investors through the takeover of Credit Suisse Group AG by UBS Group AG and as part of the integration of Credit Suisse into UBS. The Merger of the Merging Sub-Fund into the Receiving Sub-Fund will result in an overall increase of assets under management and therefore the Boards believe that the Merger is in the interest of the shareholders and unitholders of the Merging Sub-Fund and the Receiving Sub-Fund, respectively.

2. Summary of the merger

- 2.1 The Merger shall become effective and final between the Merging Sub-Fund and the Receiving Sub-Fund and vis-à-vis third parties on the Effective Date.
- 2.2 On the Effective Date, all assets and liabilities of the Merging Sub-Fund will be transferred to the Receiving Sub-Fund. The Merging Sub-Fund will cease to exist as a result of the Merger and thereby will be dissolved on the Effective Date without going into liquidation.
- 2.3 No general meeting of Shareholders shall be convened in order to approve the Merger and Shareholders are not required to vote on the Merger.
- 2.4 The Shareholders holding shares of the Merging Sub-Fund on the Effective Date will automatically be issued units of the Receiving Sub-Fund in exchange for their shares of the Merging Sub-Fund, in accordance with the relevant exchange ratio and participate in the results of the respective Receiving Sub-Fund as from such date. Shareholders will receive a confirmation note of their holding in the Receiving Sub-Fund as soon as practicable after the Effective Date. For more detailed information please see section 5 (*Rights of Shareholders in relation to the Merger*) below.
- 2.5 Subscriptions and/or conversions of shares of the Merging Sub-Fund will be suspended from 19 June 2024 to 26 July 2024 in order to implement the procedures needed for the Merger in an orderly and timely manner as indicated under section 6 (*Procedural aspects*) below.
- 2.6 Redemptions of shares of the Merging Sub-Fund will be suspended from 22 July 2024 to 26 July 2024 in order to implement the procedures needed for the Merger in an orderly and timely manner as indicated under section 6 (*Procedural aspects*) below.
- 2.7 Other procedural aspects of the Merger are set out in section 6 (*Procedural aspects*) below.

Please note that the ISIN Codes of the shares you hold in the Merging Sub-Fund as a result of the Merger will change. Details of the codes are given above under Sub-Section 3.4.

4. Criteria for valuation of assets and liabilities

For the purpose of calculating the relevant share exchange ratio, the rules laid down in the articles of association of the Merging UCITS and the management regulations of the Receiving UCITS for the calculation of the net asset value will apply to determine the value of the assets and liabilities of the Merging Sub-Fund.

5. Rights of Shareholders in relation to the merger

Shareholders of the Merging Sub-Fund holding shares in the Merging Sub-Fund on the Effective

Date will automatically be issued, in exchange for their shares in the Merging Sub-Fund, a number of units of the corresponding unit classes of the Receiving Sub-Fund equivalent to the number of shares held in the relevant share class of the Merging Sub-Fund multiplied by the relevant exchange ratio which shall be calculated for each class of shares/units on the basis of its respective net asset value as of 25 July 2024. In case the application of the exchange ratio does not lead to the issuance of full units, the Shareholders of the Merging Sub-Fund will receive fractions of units up to three decimal points within the Receiving Sub-Fund.

No subscription fee will be levied within the Receiving Sub-Fund as a result of the Merger.

Shareholders of the Merging Sub-Fund will acquire rights as unitholders of the Receiving Sub-Fund from the Effective Date and will thus participate in any increase or decrease in the net asset value of the corresponding Receiving Sub-Fund.

Shareholders of the Merging Sub-Fund not agreeing with the Merger are given the possibility to request the redemption of their shares of the Merging Sub-Fund at the applicable net asset value, without any redemption charges (other than charges retained by the Merging Sub-Fund to meet disinvestment costs) during at least 30 calendar days following the date of the present notice.

Any accrued income, dividends, and income receivables will be included in the calculation of the net asset value of the Merging Sub-Fund and will be transferred into the Receiving Sub-Fund as part of the Merger.

The Receiving UCITS is established as a *fond commun de placement* whilst the Merging UCITS is established as a *société d'investissement à capital variable*. This will result in the shareholders of the Merging UCITS becoming investors in a contractual asset in the form of units issued by the Receiving Sub-Fund, whilst losing the rights attached to the shares in the Merging UCITS. Those rights include rights to vote at general meetings of the Merging UCITS and participate in the appointment of the directors of the Merging UCITS. No such equivalent rights exist for unitholders of the Receiving UCITS.

6. Procedural aspects

6.1 No shareholder vote required

No shareholder vote is required in order to carry out the Merger. Shareholders of the Merging Sub-Fund not agreeing with the Merger may request the redemption of their shares as stated under section 5 (*Rights of Shareholders in relation to the Merger*) above until the 19 July 2024, 1 p.m. included.

6.2 Suspensions in dealings

In order to implement the procedures needed for the Merger in an orderly and timely manner, the Board of Directors has decided that (i) subscriptions for and conversions of shares of the Merging Sub-Fund will no longer be accepted or processed from 19 June 2024 to 26 July 2024 and (ii) that redemption of shares of the Merging Sub-Fund will no longer be accepted or processed from 22 July 2024 to 26 July 2024.

7. Costs of the merger

UBS Asset Management Switzerland AG will bear the legal, advisory or administrative costs and expenses (excluding potential transaction costs on the merged portfolio) associated with the preparation and completion of the Merger. In addition, and to protect the interests of the investors of the Receiving Sub-Fund, the swing pricing principle described in the Section “Net asset value, issue, redemption and conversion price” of the prospectus of the Receiving Sub-Fund will be applied on a pro rata basis on any cash portion of the assets to be merged into the Receiving Sub-Fund, provided that it exceeds the threshold as defined for the Receiving Sub-Fund.

8. Taxation

The Merger of the Merging Sub-Fund into the Receiving Sub-Fund may have tax consequences for Shareholders. Shareholders should consult their professional advisers about the consequences of this Merger on their individual tax position.

The Receiving UCITS is established as a *fonds commun de placement* whilst the Merging UCITS is established as a *société d'investissement à capital variable*. This will result in the shareholders of the Merging UCITS becoming investors in a contractual asset in the form of units issued by the Receiving Sub-Fund, whilst losing the rights attached to the shares in the Merging UCITS. This may also have tax implication for those shareholders due to the tax transparency of the Receiving UCITS.
