

Richard Kersley

Head of Global Equity Research

About

Richard Kersley is a Managing Director of Credit Suisse International in the Equity Research department of its Global Markets division. With a career in investment banking and research spanning more than 30 years, he is currently Head of the firm's Global Equity Research product and Thematic Research group.

Career

Richard Kersley is a leading member of the Credit Suisse Research Institute, the firm's flagship body for thought-leading and proprietary research, and leading author of a range of its publications.

Prior to his current position, Richard Kersley was Co-Head of European Equity Research and Head of the Pan-European Investment Strategy team. He has received top rankings and accolades in both the Extel and Institutional Investor surveys for the quality of his research in this area over a number of years. Before joining Credit Suisse in 1998, he was a Director in Equity Research at BZW (investment banking division of Barclays) and Head of its European Investment Strategy team.

Education

Richard Kersley graduated with first-class honours in Economics from the University of Birmingham, UK.
