

Angus Muirhead

Head of Equities and Head of Themes

About

Angus Muirhead, Managing Director, has over 25 years of professional investment experience in public and private equities, on the buy-side and on the sell-side.

Career

Angus was appointed Head of Equities at Credit Suisse Asset Management effective September 1, 2021. He remains Head of Themes and lead portfolio manager for the Credit Suisse Robotics strategy.

Angus joined Credit Suisse Asset Management in 2016 as a Senior Portfolio Manager in the Themes team. He started his investment career in 1997 as a buy-side equity analyst at Phillips & Drew Fund Management in London, before moving to Tokyo in 2000 to focus on the Japanese technology and healthcare sectors. In 2007, he moved to Zurich as a Portfolio Manager specializing in global technology and healthcare related thematic equity funds.

Education

Angus holds a BA in Modern Japanese Language and Business Studies from Durham University (United Kingdom), including a year of study at Kumamoto University (Japan). Angus has been a CFA charterholder since 2001.
