

Kirill Pyshkin

Senior Portfolio Manager

About

Kirill Pyshkin, Director, has more than 15 years of professional experience in the areas of Asset Management, Research and Consulting.

Career

Kirill was appointed Senior Portfolio Manager at Credit Suisse Asset Management in June 2019 to focus on the Edutainment Theme. He started his career in 2000 as a strategy management consultant in the technology, media and telecom sectors. He covered global technology companies as an equity research analyst on the sell- and buy-side, eventually becoming a senior generalist global equities portfolio manager.

Kirill has extensive experience in running thematic and other equity strategies. He has been involved in SRI (Sustainable and Responsible Investing) for ten years, and participated in the Business and the Environment Seminar for Senior Executives, part of the University of Cambridge Programme for Sustainability Leadership.

Education

Kirill holds a PhD in Physics from the University of Cambridge, MSc in Physics and Engineering from St. Petersburg State Technical University and MBA from Imperial College, University of London.
