Proxy Statement for the Annual Meeting of Shareholders To Be Held on Tuesday, February 18, 2014

This Proxy Statement is furnished in connection with a solicitation of proxies by the Board of Trustees (the “Board”) of Credit Suisse High Yield Bond Fund (the “Fund”) for use at the Annual Meeting of Shareholders of the Fund to be held at the offices of Credit Suisse Asset Management, LLC (“Credit Suisse”), One Madison Avenue, 12th Floor, New York, New York 10010 on Tuesday, February 18, 2014 (commencing at 4:00 p.m. Eastern Time) and at any adjournments thereof (the “Meeting”). A Notice of Annual Meeting of Shareholders and a proxy card (the “Proxy”) accompany this Proxy Statement.

Proxy solicitations will be made primarily by mail, but solicitations may also be made by telephone or personal interviews conducted by officers or employees of the Fund, Credit Suisse, the investment adviser to the Fund, State Street Bank and Trust Company, the administrator of the Fund (the “Administrator”), or AST Fund Solutions, Inc. (“AST”), a professional proxy solicitation firm that has been retained by the Fund for a fee not to exceed \$500 plus all reasonable out of pocket expenses (e.g., shareholder telephone calls) incurred on behalf of the Fund. All costs of solicitation, including (a) printing and mailing of this Proxy Statement and accompanying material, (b) the reimbursement of brokerage firms and others for their expenses in forwarding solicitation material to the beneficial owners of the Fund’s shares, (c) payment to AST for its services in soliciting Proxies and (d) supplementary solicitations to submit Proxies, will be borne by the Fund. This Proxy Statement and accompanying Proxy are expected to be mailed to shareholders on or about December 30, 2013.

The principal executive office of the Fund and Credit Suisse is One Madison Avenue, 10th Floor, New York, New York 10010. The principal executive office of the Administrator is One Lincoln Street, Boston, Massachusetts 02111.

The Fund’s Annual Report containing audited financial statements for the fiscal year ended October 31, 2013 is being furnished to all shareholders of the Fund along with this Proxy Statement in a combined mailing. The Fund’s Annual Report is not to be regarded as proxy-soliciting material.

Only shareholders can attend the Meeting and any adjournment or postponement thereof. To gain admittance, if you are a shareholder of record, you must bring a form of personal identification to the Meeting, where your name will be verified against our shareholder list. If a broker or other nominee holds your

shares and you plan to attend the Meeting, you should bring a recent brokerage statement showing your ownership of the shares, as well as a form of personal identification. Shareholders who wish to vote in person at the Meeting must comply with all applicable conditions.

If the enclosed Proxy is properly executed and returned in time to be voted at the Meeting, the shares represented thereby will be voted in accordance with the instructions marked on the Proxy. Any shareholder giving a Proxy has the right to attend the Meeting to vote his or her shares in person (thereby revoking any prior Proxy) and also the right to revoke the Proxy at any time by written notice received by the Fund prior to the time it is voted.

The presence in person or by proxy of the holders of a majority of the shares entitled to be cast shall be necessary and sufficient to constitute a quorum for the transaction of business. In the event that a quorum is not present at the Meeting, the holders of a majority of the shares present in person or by proxy will have the power to adjourn the Meeting, without notice other than an announcement at the Meeting, until the requisite number of shares entitled to vote at the Meeting is present. In the event that a quorum is present at the Meeting but sufficient votes to approve the proposal are not received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of Proxies. Any such adjournment will require the affirmative vote of a majority of those shares presented at the Meeting in person or by proxy, and the persons named as proxies will vote those Proxies that they are entitled to vote "FOR" any proposal in favor of such adjournment and will vote those Proxies required to be voted "AGAINST" any proposal against any such adjournment. Absent the establishment of a subsequent record date and the giving of notice to the holders of record thereon, the adjourned Meeting must take place not more than 130 days after the record date. At such adjourned Meeting, any business may be transacted which could have been transacted at the original Meeting.

A Proxy that is properly executed and returned accompanied by instructions to withhold authority to vote (an abstention) or that represents a broker "non-vote" (that is, a Proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares on a particular matter with respect to which the broker or nominee does not have discretionary power) will be treated as shares that are present, but that have not voted, for the purpose of determining a quorum for the transacting of business. Under Delaware law, abstentions and broker non-votes do not constitute a vote "FOR" or "AGAINST" a matter. The election of a Trustee requires that the successful candidate receive a plurality of votes cast at the Meeting in person or by proxy; therefore, abstentions and broker non-votes will be disregarded.

Credit Suisse and its affiliates have advised the Fund that they intend to vote the shares over which they have voting power at the Meeting, including shares that are held directly or on behalf of employees, in the manner instructed by the customers or employees for which such shares are held.

The Fund has one class of shares of beneficial interest of capital stock (the “Shares”). On the record date, December 20, 2013, there were 97,766,527 Shares outstanding. Each Share is entitled to one vote at the Meeting, and fractional Shares are entitled to a proportionate share of one vote.

In order that your Shares may be represented at the Meeting, you are requested to:

- indicate your instructions on the Proxy;
- date and sign the Proxy;
- mail the Proxy promptly in the enclosed envelope; and
- allow sufficient time for the Proxy to be received and processed on or before 4:00 p.m. Eastern Time on February 18, 2014.

Pursuant to the Fund’s Agreement and Declaration of Trust, the Board is divided into three classes, each class having a term of no more than three years. Each year the term of one class will expire. The current terms of office of the Fund’s officers will end at the Board’s meeting next following the Meeting. Trustees who are not “interested persons” of the Fund (as that term is defined in the Investment Company Act of 1940, as amended (the “1940 Act”)) are referred to as “Non-Interested Trustees.”

Qualification of Board of Trustees/Nominees

The Board believes that each Trustee’s experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Trustees lead to the conclusion that each Trustee should serve in such capacity. Among the attributes common to all Trustees are their ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the other Trustees, Credit Suisse, other service providers, counsel and the independent registered public accounting firm, and to exercise effective business judgment in the performance of their duties as Trustees. A Trustee’s ability to perform his or her duties effectively may have been attained through the Trustee’s business, consulting, public service and/or academic positions; experience from service as a board member of the Fund and the other funds in the Fund Complex, other investment funds, public companies, or non-profit entities or other organizations; educational background or professional training; and/or other life experiences. In addition to these shared characteristics, set forth below is a brief discussion of the specific experience, qualifications, attributes or skills of each Trustee that support the conclusion that each person should serve as a Trustee.

- (1) This information has been furnished by each Trustee as of November 30, 2013. “Beneficial Ownership” is determined in accordance with Rule 16a-1(a)(2) promulgated under the Securities Exchange Act of 1934 (the “1934 Act”).
- (2) The Fund’s Trustees and officers, in the aggregate, own less than 1% of the Fund’s outstanding equity securities.
- (3) “Credit Suisse Family of Investment Companies” means those registered investment companies that share Credit Suisse as their investment adviser and that hold themselves out to investors as related companies for purposes of investment and investor services.

As of November 30, 2013, none of the nominees for election to the Board, the other non-interested Trustees or their immediate family members owned beneficially or of record any class of securities in Credit Suisse or in a person (other than a registered investment company) directly or indirectly controlling, controlled by or under common control with Credit Suisse.

During the fiscal year ended October 31, 2013, each Trustee who was not a director, officer, partner, co-partner or employee of Credit Suisse, the Administrator or any affiliate thereof, received an annual fee as set out below and \$1,500 for each meeting of the Board attended by him or her and was reimbursed for expenses incurred in connection with his or her attendance at the Fund’s Board meetings. The annual fee rate was \$15,800. The total remuneration paid or accrued by the Fund during the fiscal year ended October 31, 2013 to all such unaffiliated Trustees was \$119,500. The Independent Chairman receives an additional annual fee of \$5,000 and the Audit Committee Chairman receives an additional annual fee of \$2,000. The Trustees have approved a compensation plan that permits each Non-Interested Trustee entitled to receive a fee from the Fund to elect to receive up to one hundred percent of his or her annual fee in the form of Fund shares issued by the Fund.

During the fiscal year ended October 31, 2013, the Board convened six times. Each Trustee attended at least seventy-five percent of the aggregate number of meetings of the Board and any committees on which he or she served during the period for which he or she was a Trustee.

Leadership Structure and Oversight Responsibilities

Overall responsibility for oversight of the Fund rests with the Board. The Fund has engaged Credit Suisse to manage the Fund on a day-to-day basis. The Board is responsible for overseeing Credit Suisse and other service providers in the operations of the Fund in accordance with the provisions of the 1940 Act, applicable provisions

of state and other laws and the Fund's charter. The Board is currently composed of six members, each of whom, other than Mr. Popp, is a Non-Interested Trustee. The Board meets in-person at regularly scheduled quarterly meetings each year. In addition, the Board may hold special in-person or telephonic meetings or informal conference calls to discuss specific matters that may arise or require action between regular meetings. As described below, the Board has established a Nominating Committee and an Audit Committee, and may establish ad hoc committees or working groups from time to time, to assist the Board in fulfilling its oversight responsibilities. The Non-Interested Trustees have also engaged independent legal counsel to assist them in performing their oversight responsibilities.

The Board has appointed Steven Rappaport, a Non-Interested Trustee, to serve in the role of Chairman. The Chairman's role is to preside at all meetings of the Board and to act as a liaison with Credit Suisse, counsel and other Trustees generally between meetings. The Chairman serves as a key point person for dealings between management and the Trustees. The Chairman may also perform such other functions as may be delegated by the Board from time to time. The Board reviews matters related to its leadership structure annually. The Board has determined that the Board's leadership structure is appropriate because it allows the Board to exercise informed and independent judgment over the matters under its purview and it allocates areas of responsibility among committees of Trustees and the full Board in a manner that enhances effective oversight.

The Fund is subject to a number of risks, including investment, compliance, operational and valuation risks, among others. Risk oversight forms part of the Board's general oversight of the Fund and is addressed as part of various Board and committee activities. Day-to-day risk management functions are subsumed within the responsibilities of Credit Suisse and other service providers (depending on the nature of the risk), which carry out the Fund's investment management and business affairs. Credit Suisse and other service providers employ a variety of processes, procedures and controls to identify various events or circumstances that give rise to risks, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur. Each of Credit Suisse and other service providers have their own independent interest in risk management, and their policies and methods of risk management will depend on their functions and business models. The Board recognizes that it is not possible to identify all of the risks that may affect the Fund or to develop processes and controls to eliminate or mitigate their occurrence or effects. As part of its regular oversight of the Fund, the Board interacts with and reviews reports from, among others, Credit Suisse, the Fund's Chief Compliance Officer, the Fund's independent registered public accounting firm and counsel, as appropriate, regarding risks faced by the Fund and applicable risk controls. The Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

All of the Trustees, except for Lawrence Fox and John Popp, constitute the Fund's Audit Committee, which is composed of Trustees who are not interested

persons of the Fund and who are independent (as such term is defined by the listing standards of the NYSE MKT, LLC, formerly known as New York Stock Exchange Amex (the “NYSE MKT”)). The Audit Committee convened four times during the fiscal year ended October 31, 2013. The Audit Committee advises the full Board with respect to accounting, auditing and financial matters affecting the Fund.

All of the Trustees, except for John Popp, constitute the Fund’s Nominating Committee, which is composed of Trustees who are not interested persons of the Fund and who are independent (as such term is defined by the listing standards of NYSE MKT). The Nominating Committee met three times during the fiscal year ended October 31, 2013. At a meeting of the Nominating Committee held on November 11-12, 2013, the Nominating Committee (with the nominees abstaining from voting) nominated each of Enrique R. Arzac and Terry F. Bovarnick for a three-year term. The Nominating Committee selects and nominates new Trustees. The Board has adopted a Nominating Committee Charter (a copy of which is included as Appendix A to this proxy statement). In nominating candidates, the Nominating Committee will take into consideration such factors as it deems appropriate. These factors may include judgment, skill, diversity, experience with investment companies and other organizations of comparable purpose, complexity, size and subject to similar legal restrictions and oversight, the interplay of the candidate’s experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees thereof. With respect to diversity, the Nominating Committee considers whether a candidate’s background, experience and skills will contribute to the diversity of the Board.

The Nominating Committee will consider candidates submitted by shareholders or from other sources it deems appropriate. Any recommendation should be submitted to the Secretary of the Fund, c/o Credit Suisse Asset Management, LLC, Eleven Madison Avenue, New York, New York 10010. Any submission should include at a minimum the following information: As to each individual proposed for election or re-election as Trustee, the name, age, business address, residence address and principal occupation or employment of such individual, the class, series and number of shares of stock of the Fund that are beneficially owned by such individual, the date such shares were acquired and the investment intent of such acquisition, whether such stockholder believes such individual is, or is not, an “interested person” of the Fund (as defined in the 1940 Act), and information regarding such individual that is sufficient, in the discretion of the Nominating Committee, to make such determination, and all other information relating to such individual that is required to be disclosed in solicitation of proxies for election of Trustees in an election contest (even if an election contest is not involved) or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the 1934 Act, and the rules thereunder (including such individual’s written consent to being named in the proxy statement as a nominee and to serving as a Trustee (if elected)). In the case of the Fund holding a meeting of shareholders, any such submission, in order to be considered for inclusion in the Fund’s proxy statement, should be submitted by a date not later than the 120th

calendar day before the date the Fund's proxy statement was released to security holders in connection with the Fund's previous year's annual meeting or, if the Fund has changed the meeting date by more than 30 days or if no meeting was held the previous year, within a reasonable time before the Fund begins to print and mail its proxy statement. Any such submission must also be submitted by such date and contain such information as may be specified in the Fund's By-laws, or as required by any relevant stock exchange listing standards.

The Fund does not have a Compensation Committee.

OTHER BOARD-RELATED MATTERS

Shareholders who wish to send communications to the Board should send them to the address of the Fund and to the attention of the Board c/o the Secretary of the Fund. All such communications will be directed to the Board's attention.

The Fund does not have a formal policy regarding Board member attendance at the Annual Meeting of Shareholders.

REPORT OF AUDIT COMMITTEE

Pursuant to the Audit Committee Charter adopted by the Board (a copy of which is included as Appendix B to this proxy statement), the Audit Committee is responsible for conferring with the Fund's independent registered public accounting firm, reviewing annual financial statements, approving the selection of the Fund's independent registered public accounting firm and overseeing the Fund's internal controls. The Fund's Audit Committee Charter also contains provisions relating to the pre-approval by the Audit Committee of certain non-audit services to be provided by PricewaterhouseCoopers LLP ("PwC") to the Fund and to Credit Suisse and certain of its affiliates. The Audit Committee advises the full Board with respect to accounting, auditing and financial matters affecting the Fund. The independent registered public accounting firm is responsible for planning and carrying out audits in accordance with standards established by the Public Company Accounting Oversight Board (United States).

The Audit Committee has met with the Fund's management to discuss, among other things, the Fund's audited financial statements for the fiscal year ended October 31, 2013. The Audit Committee has also met with the Fund's independent registered public accounting firm, PwC, and discussed with them certain matters required by Statement of Auditing Standards No. 61, Communications with Audit Committees, as currently modified or supplemented, including, but not limited to, the scope of the Fund's audit, the Fund's financial statements and the Fund's accounting controls. The Audit Committee has received from PwC the letter required by the SEC's independence rules describing any relationships between it and the Fund, Credit Suisse and its affiliates that may be thought to bear upon the independence of the independent registered public accounting firm. The Audit Committee has discussed with PwC their independence and has considered whether

the provision of services by PwC to the Fund, Credit Suisse and its affiliates was compatible with maintaining PwC's independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based upon these reviews and discussions, the Audit Committee recommended to the Board that the Fund's audited financial statements be included in the Fund's 2013 Annual Report to Shareholders for the fiscal year ended October 31, 2013 and be mailed to shareholders and filed with the SEC.

SHAREHOLDER PROPOSALS

Notice is hereby given that for a shareholder proposal to be considered for inclusion in the Fund's proxy material relating to its 2015 annual meeting of shareholders, the shareholder proposal must be received by the Fund no later than September 1, 2014. The shareholder proposal, including any accompanying supporting statement, may not exceed 500 words. A shareholder desiring to submit a proposal must be a record or beneficial owner of Shares with a market value of at least \$2,000 and must have held such Shares for at least one year. Further, the shareholder must continue to hold such Shares through the date on which the meeting is held. Documentary support regarding the foregoing must be provided along with the proposal. There are additional requirements regarding proposals of shareholders, and a shareholder contemplating submission of a proposal is referred to Rule 14a-8 promulgated under the 1934 Act. The timely submission of a proposal does not guarantee its inclusion in the Fund's proxy materials.

Pursuant to the By-laws of the Fund, at any annual meeting of the shareholders, only such business will be conducted as has been properly brought before the annual meeting. To be properly brought before the annual meeting, the business must be (i) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the Board, (ii) otherwise properly brought before the meeting by or at the direction of the Board, or (iii) otherwise properly brought before the meeting by a shareholder.

For business to be properly brought before the annual meeting by a shareholder, the shareholder must have given timely notice thereof in writing to the Secretary of the Fund. To be timely, any such notice must be delivered to, or mailed (by certified mail being recommended) to and received by, Credit Suisse High Yield Bond Fund c/o Credit Suisse Asset Management, LLC, Eleven Madison Avenue, 25th Floor, New York, New York 10010 not later than 120 days before the date in the then current year corresponding to the date on which the Fund first mailed its notice and proxy materials for the annual meeting held in the prior year; provided, however, that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the preceding year's annual meeting, notice by such shareholder to be timely must be so

received not later than the close of business on the 10th day following the day on which notice or public announcement of the date of such meeting was given or made. In no event shall the public announcement of an adjournment of an annual meeting commence a new time period for the giving of a shareholder's notice as described above.

Any such notice by a shareholder shall set forth as to each matter the shareholder proposes to bring before the annual meeting: (i) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (ii) the name and address, as they appear on the Fund's books, of the shareholder proposing such business, (iii) the class and number of shares of the capital stock of the Fund which are beneficially owned by the shareholder, (iv) a representation that the shareholder is a holder of record of shares of the Fund entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to present such business, (v) whether the shareholder intends or is part of a group which intends to solicit proxies from other shareholders in support of such business and (vi) any material interest of the shareholder in such business.

The Fund may exercise discretionary voting authority with respect to any shareholder proposals for the 2015 annual meeting of shareholders not included in the proxy statement and form of proxy that are not submitted to the Fund within the timeframe indicated above. Even if timely notice is received, the Fund may exercise discretionary voting authority in certain other circumstances. Discretionary voting authority is the ability to vote proxies that shareholders have executed and returned to the Fund on matters not specifically reflected on the form of proxy.

SHAREHOLDERS WHO DO NOT EXPECT TO BE PRESENT AT THE ANNUAL MEETING AND WHO WISH TO HAVE THEIR SHARES VOTED ARE REQUESTED TO DATE AND SIGN THE ENCLOSED PROXY CARD AND RETURN IT IN THE ENCLOSED ENVELOPE. NO POSTAGE IS REQUIRED IF MAILED IN THE UNITED STATES.

APPENDIX B

AUDIT COMMITTEE CHARTER

This document serves as the Charter for the Audit Committee (the “Committee”) of the Board of Directors/Trustees (the “Board”) of each fund (the “Fund”) advised by Credit Suisse Asset Management, LLC (“Credit Suisse”) listed on Appendix A hereto (each such Charter being a separate Charter).

Purpose

The primary purposes of the Committee are to:

- assist Board oversight of
 1. the integrity of the Fund’s financial statements
 2. the independent auditor’s qualifications and independence
 3. the performance of the Fund’s independent auditors
 4. the Fund’s compliance with legal and regulatory requirements
- prepare an audit committee report, if required by the SEC, to be included in the Fund’s annual proxy statement, if any;
- oversee the scope of the annual audit of the Fund’s financial statements, the quality and objectivity of the Fund’s financial statements, the Fund’s accounting and financial reporting policies and practices and its internal controls relating thereto;
- determine the selection, appointment, retention and termination of the Fund’s independent auditors, as well as approving the compensation of the auditors;
- pre-approve all audit and non-audit services provided to the Fund and certain other persons (as described in 2(b) below) by such independent auditors; and
- act as a liaison between the Fund’s independent auditors and the Board.

The Fund’s independent auditors shall report directly to the Committee.

The primary function of the Committee is oversight. The Fund’s management is responsible for (i) the preparation, presentation and integrity of the Fund’s financial statements, (ii) the maintenance of appropriate accounting and financial reporting principles and policies and (iii) the maintenance of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations.

The independent auditors are responsible for planning and carrying out proper audits and reviews in accordance with generally accepted auditing standards.

In fulfilling their responsibilities hereunder, it is recognized that members of the Committee are not full-time employees of the Fund. As such, it is not the duty

or responsibility of the Committee or its members to conduct “field work” or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Each member of the Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Fund from which it receives information, (ii) the accuracy of the financial and other information provided to the Committee by such persons and organizations absent actual knowledge to the contrary (which shall be promptly reported to the Fund’s Board) and (iii) statements made by the officers and employees of the Fund, Credit Suisse or other third parties as to any information technology, internal audit and other non-audit services provided by the independent auditors to the Fund. In addition, the evaluation of the Fund’s financial statements by the Committee is not of the same scope as, and does not involve the extent of detail as, audits performed by the independent auditors, nor does the Committee’s evaluation substitute for the responsibilities of the Fund’s management for preparing, or the independent auditors for auditing, the financial statements.

Composition and Qualifications

(a) The Committee shall consist of at least three Board members none of whom is an “interested person,” as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the “Independent Board Members”), each of whom shall be financially literate and able to read and understand fundamental financial statements, including the Fund’s balance sheet, income statement and cash flow statement, and at least one of whom shall have accounting or related financial management expertise as determined by the Fund’s Board in its business judgment. Each member of the Committee must also meet the New York Stock Exchange’s independence requirements for audit committee members of listed companies and the independence requirements applicable to investment companies set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “1934 Act”). If one or more members of the Committee qualify as an “audit committee financial expert” (“ACFE”), within the meaning of the rules adopted and implemented under Section 407 of the Sarbanes-Oxley Act of 2002, at least one such member shall be designated as the Committee’s ACFE. The Committee shall elect a chairperson, who shall preside over Committee meetings (the “Chairperson”). The Chairperson shall serve as such until his successor is selected by the Committee.

The designation of a person as an ACFE shall not impose any greater responsibility or liability on that person than the responsibility and liability imposed on such person as a member of the Committee, nor does it decrease the duties and obligations of other Committee members or the Board.

(b) With respect to any subsequent changes to the composition of the Committee, and otherwise approximately once each year, the Board of Directors shall determine:

(i) that each member of the Audit Committee is “independent” pursuant to the governance standards of the New York Stock Exchange

(“NYSE”) or applicable law or, in the case of a Fund whose securities are listed on the NYSE MKT (formerly known as (“NYSE Amex Equities”), pursuant to the governance standards of the NYSE MKT;

(ii) that each Audit Committee member is financially literate and able to read and understand fundamental financial statements, including the Fund’s balance sheet, income statement and cash flow statement;

(iii) that at least one of the Committee members has accounting or related financial management expertise and, for a Fund whose securities are listed on the NYSE MKT, is “financially sophisticated” pursuant to NYSE MKT rules; and

(iv) the adequacy of the Charter.

Duties and Powers

1. To carry out its purposes, the Committee shall have the following duties and powers to be exercised at such times and in such manner as the Committee shall deem necessary or appropriate: (a) to determine, and recommend to the Independent Board Members for their ratification and approval, the selection, appointment, compensation, retention and termination of the Fund’s independent auditors (or any other public accounting firm engaged for the purposes of performing other audit, review or attest services for the Fund);

(b) to resolve any disagreements between management and the independent auditors regarding financial reporting and to evaluate and accept the determination of independence made by the independent auditors;

any permissible non-audit services shall not be required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund, Credit Suisse and any Covered Services Provider constitutes not more than 5% of the total amount of revenues paid by the registrant to its independent auditors during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Committee and approved by the Committee (or its delegate(s)) prior to the completion of the audit.

A majority of the members of the Committee present shall be empowered to act on behalf of the Committee.
